JBF A/S hereby declares that our products are free of per- and polyfluorinated alkyl substances (PFAS), or that the content of PFAS is in accordance with applicable legislation and standards. We are committed to complying with all relevant regulations and requirements regarding the use of chemicals, including PFAS, to ensure the safety and environmental responsibility of the product.

Our company is continuously working to minimize the use of PFAS and regularly assesses our production and supply chain to ensure that these chemicals are not present or used without proper approval.
